## Inspiration in Every Detail

---

A great building begins with incredible design and beautiful finishes. Each stylish suite is crafted with sophistication in mind. Open concept living spaces with 9' high ceilings lead out to your own private balcony. Look out the expansive windows from sunrise until sunset for stunning views of Downtown Hamilton, the Niagara Escarpment, and Lake Ontario.

MODERN ELEGANCE

Bayfront Park, Princess Point and the Royal Botanical Gardens Arboretum, which includes the RBG Cootes Paradise Sanctuary, the Bruce Trail and 31 different trails, and historic Gage Park are just a few of the many parks and preserves in and around the city.

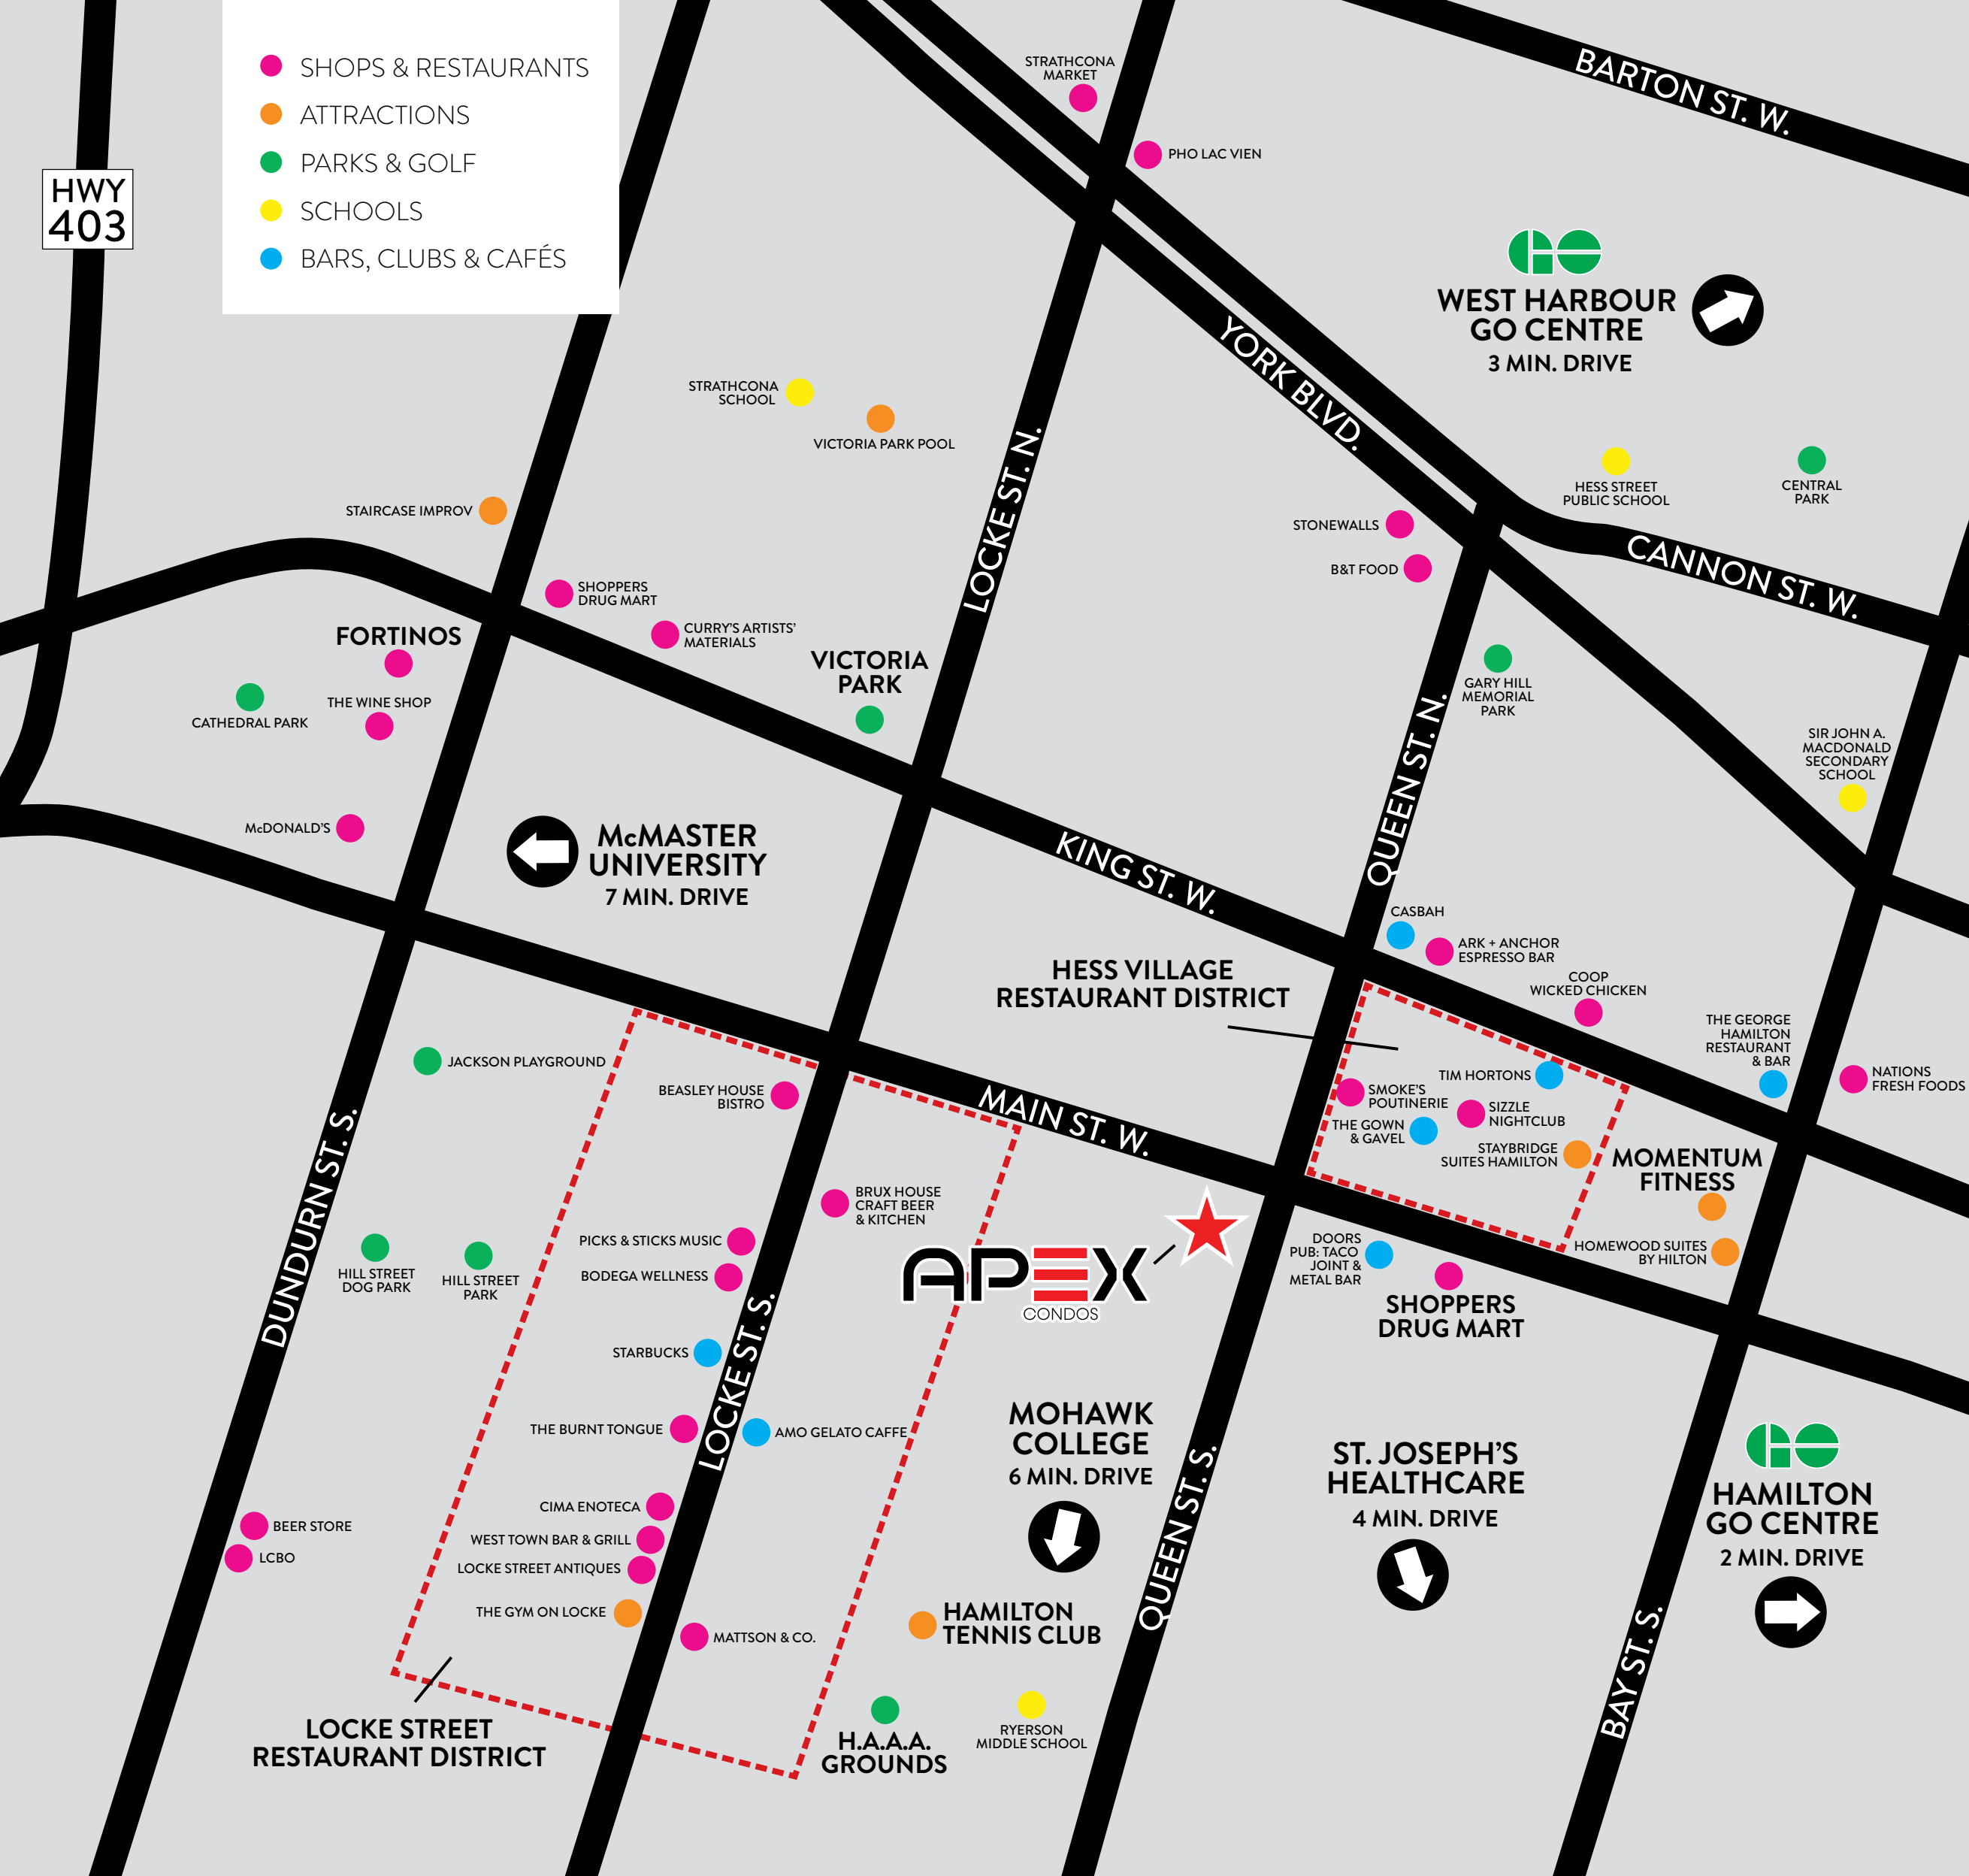

The Hamilton Light Rail Transit line (LRT) will be a rebirth for the east/west Main and King corridors. The LRT will maximize the city's infrastructure by moving people efficiently and supporting the transit needs of a quickly growing city. The good news is there's a stop planned steps away from APEX.

There's no shortage of attractions and hotspots for those that call Hamilton home. Dynamic shops, restaurants, art galleries, and more, are everywhere you look throughout Hamilton's vibrant downtown core.

## Hamilton's Best Pin on the Map

Where Queen and Main meet, a world of opportunity begins. Enjoy living in central downtown amidst the city's eclectic collection of bars and restaurants, shops and services, and all manner of lifestyle diversions. APEX puts you within close proximity to McMaster University and Mohawk College, and the future LRT has a stop at your doorstep so you can explore everything else Hamilton has to offer at a moment's whim.

## Urban Convenience at Your Doorstep

With transit at your doorstep, APEX is mere minutes from Highway 403 and Hamilton's two GO Stations, appealing to those working outside of the City. With a myriad of shopping, arts/culture and entertainment choices waiting for you in the downtown core, this is your chance to live a sophisticated urban lifestyle!
