BRIDGELANDS

Where you belong. Woodbridge.

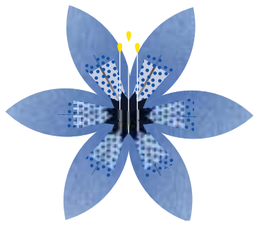

ARISTA DECO OPUS

A New Place Begins Here.

Some communities simply occupy a piece of land. While others are thoughtfully planned with the intention of shaping how a place is experienced for years to come.

Bridgelands is a new master-planned community in Woodbridge, designed to bring together a collection of homes, natural landscapes and shared spaces in one connected neighbourhood.

Welcome Home.
Welcome to Bridgelands.

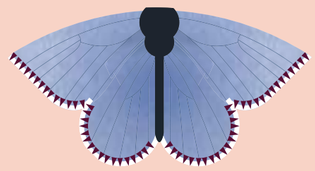

Three Builders. One Place. One Future.

Bridgelands brings together
ARISTA, DECO and OPUS around a shared vision
for a connected, thoughtfully planned neighbourhood.
Each builder brings its award-winning experience,
perspective and approach to design. Together, they
are shaping something larger than any one collection
of homes – a neighbourhood designed to grow,
connect and evolve for years to come.

Three builders. One shared vision.

NEIGHBOURHOOD COLLECTION

See The Big Picture.

From above, the ambition of Bridgelands comes into view. A thoughtful rhythm of homes, streets, green space and gathering places. A community designed with the long view in mind.

The Moments That Make a Neighbourhood.

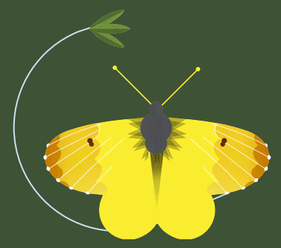

Every road sidewalk, and park plays a role in shaping the experience at Bridgelands. Planned with care and designed for connection, this community is not simply somewhere to live but a place to grow.

Morning walks.
Children playing outside.
A conversation with a neighbour.
A familiar route home.

It is often the smallest moments that create the strongest sense of place. Bridgelands is being shaped to make more of those moments possible.

Growing Together, Surrounded by Nature.

25+ Acres of Green Space.

Room to Play. Space to Belong.

The best communities are shaped as much by their open spaces as by their homes. At Bridgelands, more than 25 acres of parks and open space will offer room to play, move and connect. With playgrounds, splash pads, sports courts, fields and a network of trails and green spaces. A place where neighbours meet and community begins to take shape naturally.

DETACHED COLLECTION

Graceful Architecture. Thoughtful Streetscapes.

Rich architectural detail and thoughtfully composed façades give each home a character of its own. Together, they create inviting streetscapes that bring warmth and personality to Bridgelands, making the journey home feel as special as the arrival.

Space to Gather.
Room to Breathe.

The freehold townhome collection is thoughtfully integrated into the broader vision for Bridgelands. With architectural variety and well-considered streetscapes, these homes bring energy and connection to the neighbourhood while offering different ways to live.
